

LET'S TALK CREATION

Episode 74: A Christmas Reading List

'Tis the season of giving, and Paul and Todd share their thoughts on books that creationists ought to read. They've narrowed their big libraries down to just a few books they think every creationist should read, on subjects ranging from hard science to Christian living. If you're still looking for a last minute (or late) Christmas gift, or if you're looking for an interesting book to read, they've got just the list!
