

LET'S TALK CREATION

Episode 89: Is Young-Age Creationism an EMBARRASSMENT?

Centuries ago, Augustine of Hippo said it was "disgraceful and dangerous" for a nonbeliever to hear Christians spouting nonsense about science. Today, as young age creationists work to promote their views, many Christians think we're nothing but an embarrassment to the cause of Christ and a stumbling block to the gospel. In this episode, Paul and Todd chat with Stephen Lloyd of Biblical Creation Trust as they push back on this negative stereotype. Stephen thinks young-age creationist beliefs can actually be an advantage in witnessing. Listen to this latest episode to find out how!
