

LET'S TALK CREATION

Episode 127: Todd & Paul visit Paleolithic Dolní Věstonice!

Todd and Paul wrap up their big Czech Adventure with a visit to the Stone Age! Long ago, the southern Czech villages of Pavlov and Dolní Věstonice were home to mammoth hunters, and they left abundant evidence of their dwellings, prey, and even culture. Over the past century, Czech archaeologists have been excavating those sites, and Paul and Todd are going to get the whole scoop as they wander the countryside where these ancient hunters lived. What does this site mean for creationists? Find out in this latest episode!
