

LET'S TALK CREATION

Episode 140: Creationism 101: Before the Flood

As we continue our series on Creationism 101, Paul and Todd tackle Genesis 5-6, which include the genealogy of Adam's son Seth and the world before the Flood. Topics include exploring the intriguing similarities between Cain's and Seth's genealogies, the debate over the identity of the "sons of God" and "daughters of men," and the rather surprising literary structure of the story of Noah's Ark and the global flood. All this and more in our 140th episode!
