

LET'S TALK CREATION

Episode 147: Paul & Todd Explore Cambridge!

In our final 2026 "live" episode from the offices of Biblical Creation Trust, our intrepid hosts Todd and Paul spend some quality time exploring the sights in Cambridge itself. From Newton to Woodward to Sedgwick to Darwin, Cambridge has been home to many people who have influenced the way we think about God's creation. As Paul shows Todd around, they chat about the clockwork universe, theories of creation, and of course Darwin's time in Cambridge. All that and William Smith's map, too!
